

Youth Mental Health First Aid (YMHFA)

Youth Mental Health First Aid Training

What is YMHFA?

Youth Mental Health First Aid teaches you how to identify, understand and respond to signs of mental health and substance use challenges among children and adolescents ages 12-18.

Monday, February 10, 2025

Monday, June 2, 2025

Monday, October 6, 2025

All sessions will be 0700-1530 and the location will be sent in a separate email upon registration.

Target Audience: Registered Nurses in all areas.

Narrative/Learning Objectives:

- Common signs and symptoms of mental health challenges in this age group, including anxiety, depression, eating disorders and attention deficit hyperactive disorder (ADHD).
- Common signs and symptoms of substance use challenges.
- How to interact with a child or adolescent in crisis.
- How to connect the youth with help.
- Expanded content on trauma, substance use, self-care and the impact of social media and bullying.

Children's National.
